Dear Mr. Grillot:

On December 31, 1980, your state license to operate a solid waste disposal facility expires. If you desire to operate a solid waste disposal facility in 1981, the enclosed application should be filled out and returned to this office together with the license fee of Five Hundred Dollars (\$500) by December 1, 1980. Be sure to read very carefully the conditions of operation typed on the back of the application. If you have questions concerning any of these conditions, please call 225-4443.

Sincerely,
